BREED THEATER.

"The Son's Return," Story of Poverty's Desperation.
What proved to be a most unusual picture at the Breed Theater last night was the picture shown under the modest title of "The Son's Return." This picture deals with a very peculiar phase of greed for money, inasmuch as it prompts the parents of an ambition son, who has been successful in the city and returns home incognito, to waylay and rob him, leaving him for dead to meet a mortgage on the tavern which they keep. Not until they reach their home do they discover the fact that they have robbed their own son, whereupon they are seized by the police, and the picture ends.

A wonderful and thrilling story of the sea is entitled "A Child's Prayer," and deals with the rivalry existing between two fishermen and abundance with many beautiful scenes of the sea.
Another Biograph comedy scream is entitled "Broadway Broom," and an exciting situation follows another so closely that it is one tumult of merriment, bearing out the excellent reputation that these films have.
Miss Grace Allen, the popular Boston soprano, sang with delightful effect, Rosses, "Dreams of You," a high class ballad that proved to be just what the audience wanted, and she merited the instant encore that she received, she afterwards singing the popular success, "Always Me, With pretty slides to accompany same.

LINCOLN PARK.

Vaudeville at Rustic Theater.
This week's bill at Lincoln Park is bound to make a hit with the patrons of the rustic theater. There are five acts and each of the five is full of fun for the crowd. Monday night the theater was filled and applause for all the performers was hearty and prolonged, everybody getting spirited encores.
The Phillips sisters dance nimbly and sing sweetly. Miss Ada Corbett, the bright little novelty change artist, sings four times and has four costumes, the complete change of attire taking in each case less than 15 seconds. Her sailor song and hornpipe are particularly good. Lewis and Harris in "Along the Swane River" play banjo and guitar very handsomely, and sing "Massa in de Cold, Cold Ground" and "Old Kentucky Home" in a way that catches the crowd. William Cahill in "The Man from Ireland," is funny, and his songs, "My Father Was a Grand Old Man," and "Now is the Time," are effectively rendered. The closing sketch, "Married a Week," by Hawley and Alcott, started in with a backsliding bridegroom, who goes on a champagne outing and does not get home to his distracted bride until time for the milkman to fill the pail in the morning, but all ends happily.
The dancers were plentiful in the pavilion. Monday night, many couples holding the floor until the 11:15 hour for the city. The matinee commences at 2:30 every afternoon after Monday.

HOME GARMENT MAKING.

The Bulletin's Pattern Service.

GIRLS' DRESS AND BLOOMERS.

Made up in natural colored linen, this is a serviceable little model for everyday wear. The fullness of the front and back is supplied by wide tucks, stitched with red and green, giving a wide panel effect that is charming. The Dutch neck is cut deep and buttoned with red and green, the stitching of the belt and cuffs being done in the same shade. The bloomers are of the same material as the dress.
The pattern is in five sizes, 10 to 12 years. For a girl of 10 years the dress requires 6 1/2 yards of material 24 inches wide, 5 1/2 yards 27 inches wide, 4 1/2 yards 30 inches wide or 4 yards 42 inches wide.
Price of pattern, 10 cents.
Order through the Bulletin Company, Pattern Dept., Norwich, Conn.

NORTHFIELD CONFERENCE.

Two Summer Schools Now in Session—Prominent Speakers for All Meetings Expected.

East Northfield, Mass., July 26.—The two summer schools now in session here united in the Auditorium services yesterday. Over 300 delegates and hundreds of townspeople and visitors heard a masterful address by Dr. Francis E. Clark of Boston, founder of the Christian Endeavor movement and the prominent in many missionary activities. He and Mrs. Clark, who is also one of the speakers this week, are the authors of the mission study text book which all the women's missionary societies in the country will use next year.
In the afternoon the summer school for Sunday school methods held a model Sunday school in which all their new ideas were illustrated. The summer school for women's foreign missionary societies held a missionary rally in the evening, at which addresses were made by prominent missionaries from many foreign lands.

These two summer schools close on Thursday, and on Saturday the twenty-seventh annual session of the general conference for Christian workers will convene. Delegates are expected from all parts of this country and Canada. Dr. J. H. Jowett of Birmingham, England, will be the preacher on the opening Sunday. He is called one of the greatest non-confident preachers in England today. This is his first visit to America, although he has been invited to Northfield twelve times. Rev. G. H. Johnston-Ross, formerly of Cambridge, England, who has just accepted an American call, will conduct a special series of meetings for ministers, which will draw to the city the best means of extending the usefulness of the church today. These meetings will be held in the new Russell Sage House, of Northfield, Conn. Among the other prominent speakers will be Dr. Arthur T. Pierson of Brooklyn, who will conduct a daily Bible class; Dr. G. H. Johnston-Ross of Cambridge, England; and Dr. J. H. Jowett of Birmingham, England, who will conduct a daily Bible class; Dr. G. H. Johnston-Ross of Cambridge, England; and Dr. J. H. Jowett of Birmingham, England.

LATEST THING IN BURGLARY.

Gang of Los Angeles Boys Carry It on with Wireless Stations.
Los Angeles, July 26.—When four boys whose ages range from fourteen to seventeen, were arrested in a deserted shack at the corner of Bladon and Winter streets, it was discovered, the police say, that the gang has been operating a burglary club, with wireless telegraphy as one of its principal features.
Arthur Smith, seventeen years of age, was the operator of the wireless station. Four other stations were operated, and the gang was kept informed of one another's movements by wireless. According to the police, Smith was enabled to communicate with three members after his arrest and enabled them to escape.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. The mucous lining of the Eustachian tube. When this tube is inflamed, you have a rumbling or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed. Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. Write to Dr. J. C. Hall, 10, Teneo, O.
Sold by Druggists, 75c.
Take Hall's Family Pills for constipation.

A Night Rider's Raid.

The worst night riders are calomel, croton oil or aloes pills. They raid your body and rob you of sleep. Not so with Dr. King's Life Pills. They never distress or inconvenience, but always cleanse the system, curing Colic, Headache, Constipation, Malaria, etc. at The Lee & Osgood Co.
Many people with chronic throat and lung trouble have found comfort and relief in Foley's Honey and Tar as it cures stubborn coughs after other treatment has failed. L. M. Ruggles, Boston, writes: "The doctors said I had consumption, and I got no better until I took Foley's Honey and Tar. It stopped the hemorrhages and pain in my lungs and they are now as sound as a bell." Lee & Osgood Co.

When you buy tea it is just as easy to get the best as it is to get the next best. The good housekeeper cannot make a good cup of tea with tea of poor quality, but anyone by using "Salada" Tea can make a delicious and healthful drink. With "Salada" you can make more tea and better tea. At all grocers.
